PRESIDENT'S MESSAGE

Here we are half way thru 2024. Time seems to be going quickly. Hopefully our Snowbirds got to their destinations safely.

For those of us remaining please be sure to take heed with the weather changes and the heat. Be sure you are prepared for hurricane season, which is upon us.

Our entertainment schedule can be found throughout this publication. Please take part in the many gatherings planned for your enjoyment.

With that being said, I need to thank the numerous people who gave their outpouring of love and sympathy to Bob and myself on the loss of our son, Erik Christoper Albertson. He was our younger son. Times like these is when I feel lucky to live in a community such as ours. People do care about each other and are there when most needed. God Bless you all.

Love Joann and Bob Albertson
